April Activity

Sewing Machine needed!

The April 6 meeting has been set aside as a sew day to make simple little items to sell at the Country Store. One more person is needed to bring a sewing machine that night. If you are willing to bring your machine, please call Charlotte Hickman at 209-742-4934 and let her know.

We will be working in teams to sew fabric coordinated sets of travel tissue holders, little wallets for punch cards/credit cards, and a nifty little cord wrap for all those charger cords we use with our electronic devices. Supplies you will need to bring with you that night include:

- rotary cutter and small cutting board
- paper and fabric scissors
- needle and thread to sew on snaps

April Meeting

Hello Quilters!

Welcome Spring! Everything is green and the sun is shining. Last month we had a wonderful workshop with Sheila Collins followed by the Spring Retreat.

In **April** we will be making items for the Country Store to be sold at the Quilt Show. The material has been cut into kits. It will be very easy to sew. Charlotte Hickman will be leading us in this venture. We will also be selling material donated by JoAnn Waters with all proceeds to the guild. Bring cash or checks for a great buy on good fabrics.

May will be a busy month. Please volunteer to help at the quilt show. You will get free admission and see beautiful quilts. Our program for the May meeting will be arranged by Betsy Anne Youngholm. Speakers from some of the organizations we donate our cuddle quilts to will share the experiences of those who have received our quilts. They want to show us how much they appreciate our work.

Kits have been put together with everything you need to make these simple and fast items. Each team will cut out the fabric pieces using the included paper templates, iron on the interfacing as needed and sew the pieces together. The cord wraps will have two small half-inch size button holes in the center and Velcro squares sewn on the two ends. The little wallets will have a snap sewn on the flap to close. Easy Peasy!

Let's see how many of these we can put together to sell at the Country Store and make lots of money for our guild.

It is just a little over a month now! Following is an update on what has been going on behind the scenes and ways you can help make the show a success!

FOOD

See "Quilt Show Kitchen" article. We will also be selling water and soda, muffins and cookies.

We still need people to sign up to take money and issue meal and drink tickets. These are two hour shifts on each day of the show. No heavy lifting! So please volunteer for a shift or two. Contact: Betsy Anne Youngholm for more information.

WHITE GLOVES/HOSTESS

There are 16 time slots available to help with the quilt show as a hostess, white glover. This is a fun job and a very necessary one to assist our quilt viewers and it also gives you an opportunity to really see our quilts.

This is an "on your feet" job though there will be a chair available for a short break, and you will be rotated from one area to another. Each time slot is two hours except for 2:00 to 5:00 on Saturday. Please contact Nancy Swanson, 642-6253 or see Peggy McKneely at our meeting on April 6th.

MONEY \$\$\$\$

Please spread the word, only cash or checks will be accepted at the Quilt Show SMQA activities (for entry, food, raffles, and the Country Store). Vendors may or may not accept credit cards. Bring plenty of cash!!!

QUILTER PHOTOS

Kathy Millhollon will be taking photos of quilters at the April meeting (to include with information about your quilt entry). Put on a big smile and best hairdo!!

QUILT ENTRIES

We need more quilt entries!!! As of March 21 there were only 21 entries. In previous years we have had over 100 quilts in the show. The deadline for entries is **April 7th**.

Your quilt does NOT need to be finished to complete the online entry form. . . just make sure it is finished for the quilt show. The entry form is available on our website. Click here: [Quilt Entry Form](#). – Please complete the online form if possible.

QUILT DROP-OFF

If you are entering a quilt or quilts, the drop off dates will be May 15, 16, and 17 (10 a.m. to 6 p.m.). You will receive an information letter with the address and other requirements (e.g., sleeve instructions).

SECURITY

Sign ups are still needed for security. Contact Helen Ramsey.

COUNTRY STORE

Charlotte Hickman is very busy getting things ready for the Country Store. If possible, when pricing your items, please use dollar increments to avoid having to give coin change. Charlotte will provide more information at the guild meeting.

MINI QUILT CHALLENGE - "A Stitch in Time"

Kathy Millhollon will be providing more information about this fun challenge. Quilts for this challenge do not need to be submitted as entries for the show (i.e., no entry form needed). Kathy will be collecting entries for the challenge at the May

SMQA meeting. Be sure to have your quilt labeled. No sleeve needed. There will be a viewer's choice vote and ribbons will be awarded!!

PUBLICITY

Posters/flyers have been printed and will be available at the April and May SMQA meetings. We need all the help we can get distributing these posters. They can be put up at any type of shop or meeting place (e.g., church, senior center, exercise club). Just be sure to ask for permission. If you can't make it to the meeting and need some posters, contact Diane Martin.

VENDORS

We have vendors for nearly all the indoor spaces at the Show. However, there is still plenty of space for outdoor vendors. If you know of a vendor that might be interested, let Trudy Kinsel or Helen Brown know!

Quilt Show Kitchen

For our 2017 Quilt Show we are taking a different approach to providing food for attendees, vendors, and SMQA members. We have contracted with *El Taquero Alvarez*, a catering company from Ceres. The friendly folks from *El Taquero Alvarez* bring their own kitchen and cook fresh food on site. For \$8.00 per lunch, you can have delicious tacos made with your choice of meats, beans and rice, and salsa. You can serve up as much or as little as you like on your plate.

The food for this show is a tad more expensive and a change from the way we have previously offered food at the show. We think the change will be fun, however we will be forever grateful to the folks who prepared and served the food in the past. They are to be commended for the hard work and the good food, which has been wonderfully prepared, well received, and much appreciated by attendees.

Our show is one of the best; spotlighting our members' skill, creativity, and beautiful work. We have published quilters, award winning quilters, and accomplished quilters.

Every two years our show gets bigger and better. We would like our food service to reflect this professionalism. *El Taquero Alvarez* fits the image we want to project with our show and our quilts. We are reaching a little with this alternative to our past practice and we encourage everyone to support this effort by buying lunch at the show.

April Birthstone

The wearing of birthstones is thought to bring good luck and good health. Astrologers long ago attributed supernatural powers to certain gemstones.

The April Birthstone, **diamond**, in addition to being a symbol of everlasting love, was once thought to bring courage. In Sanskrit, the diamond is call "vajra," which also means lightning; in Hindu mythology, vajra was the weapon of Indra, the king of gods.

THE TALE OF THE TRAVELING QUILT

We are pleased to announce that we made \$80 at the Quilter's Paradise Retreat at Bass Lake and \$82 at the ECCO retreat United Methodist Women's group.

As you read this, we hopefully have also made a bit more money selling tickets at True Value on Saturday, March 25. Thanks to our ladies hanging out at the local hardware store (I hear the men are easy targets for ticket sales).

We will be taking our Opportunity Quilt to Dorsey's Hallmark on April 22. Thank you to all the ladies who have stepped up for ticket sales. You're the Best!
April 29 – Woodcarver's Rendevous at Community Center. Does anybody have a contact and/or interest in taking the quilt? We took our last opportunity quilt and made about \$100.

May 5-7 – Heart of the Valley Shop Hop. Bear Paw is not participating this year, but Quilter's Paradise has offered to let us to bring the quilt to their shop on any of the Shop Hop Days. Participation will depend on volunteers for ticket sales. We will be asking for member sign-ups to take the quilt. I have a couple of ladies who have already offered to take the quilt on May 5...woo hoo...anyone else??

Thanks, and Happy Quilting

Meet Our Featured Quilter, Diane Ward

By Diane Martin

Every other year, Sierra Mountain Quilters has the opportunity to honor a member by making her our Featured Quilter at the Quilt Show. For the 2017 show, Diane Ward is the recipient of the honor. Anyone who has seen her beautiful quilts will understand why.

Diane has lived in the Oakhurst area for 25 years. She was lured here by a love of apples, square dancing, and Arleene's Calico Country Quilt Shop! She and her husband live in Ahwahnee where they settled after having careers

with Kaiser and Rockwell International. They have five (yes five!) sons, Mike, Brian, Kevin, Doug, and Danny.

Because she loved to quilt, Diane joined SMQA and Thursday Thimbles in 1992. It was a good way to get to know people and learn more about quilting. She has been the president, secretary, first VP, every position except treasurer. She also put on Spring Retreats for over ten years and helped with the quilt show by setting up and taking down the quilts (a big job).

Diane's Quilting Journey

Diane has sewn since she was young, mostly clothing. She sewed on her mother's Domestic Electric which could only sew forward. She began quilting in 1977. Her first quilt was a log cabin, quilt as you go, cut with scissors! She still has the quilt. She took classes in Thousand Oaks from Margie Fisher at the Quilt Inn. Like the rest of us, her biggest challenge is finishing (e.g., binding). She had one quilt that had the binding pinned on for quite awhile. A mishap with the dog forced her to wash the quilt, which meant that she HAD to finish the binding!

While working at Kaiser, Diane belonged to a quilt guild in Woodland Hills. She was one busy woman, five kids, square dancing at least one night a week (later four nights a week), and taking her boys to Little League games. This left less time for quilting during that period of her life.

Now retired, she can spend more time quilting. Her preferred technique is appliqué. She has tried all the methods and prefers the starch technique. She hand and machine appliques. She has even tried the English paper method (on a king size quilt) which remains unfinished (to be completed some day). Her favorite colors are blues, pinks, and rose which you will see in the quilts she displays.

Diane's favorite quilt is "A Woman's Work is Never Done." This has also been called, "The Quilt of the Century" as it nearly took that long to complete!

Detail of "A Woman's Work is Never Done"

This quilt won a second place ribbon at the 2015 SMQA Quilt Show and a Judge's Choice award at the Best of the Valley Quilt Show. This quilt will be displayed again at the 2017 quilt show. Pay special attention to all the hand appliqué and hand embroidery, it is magnificent.

All of Diane's quilts display a mastery of technique. She hand and machine quilts, embroiders, and appliques. Look closely to admire the precision of her work. Then, stand back and enjoy her talent combining colors and design.

Diane will be present both days of the Quilt Show. Stop by and chat with her and admire her beautiful quilts! When asked why someone should attend our show, she said, "To admire all the wonderfully talented quilters we have here (in our guild)!"

Chris's Comments...

Here we are.....it is April already!! Weren't we just attending our Christmas Dinner!?!?!? Hopefully everyone has submitted their quilt entry forms and has signed at least one of the many 'lists' we've had at our monthly meetings, to assist with our essential fund raiser and largest undertaking, our Biennial Quilt Show!

According to our Policies and Procedures, as members, we are "expected to contribute time and effort toward the success of the show." We have our Committee Chairs and sub-committees for the Quilt Show, and those individuals have worked to set up the 'bones' of our show, however without everyone's help, it wouldn't be a success. So please, if you haven't yet signed up for at least one assignment, it isn't too late. If you aren't sure of how you can help, just ask any of our Quilt Show Committee members, all of which are listed on our Web site under "2017 Quilt Show" and in our 2017 Directory. As mentioned in last month's newsletter, we're trying something new this year for our food offering, so be sure to not only plan on eating at our show, but also encourage your family and friends to purchase tickets as well.

By the way...have you checked out our web site under the 2017 Quilt Show tab? Scroll down and click on "read more", to see what Sally Walker has recently added. There are some gorgeous 'glamour' shots of our Opportunity Quilt that were taken at Chris Hartesveldt's home, in her beautiful garden!

Also ahead, is our May Program, where we'll have representatives speaking, from a few of the organizations that are recipients of our Cuddle Quilts. Let's give them a warm welcome, and have tons of Cuddle Quilts for Betsy Anne to present to them! If you still have kits you've taken home to work on, let's try and get them finished before the May meeting...myself included!

So, lots to do, lots to remember, but as an organization, *if we all work together*, we can make it happen!!!

I appreciate all of you and all that you do, thank you, and keep up the good work!

Quilt Show Country Store

ATTENTION: all those who have things to sell for the Country Store!

Charlotte Hickman needs to verify how many people have received the paperwork to sell items for the Country Store and what number you have on your form. If you haven't already given her that information, please call or email her ASAP at 209-742-4934 or at cthickman@yahoo.com. Thanks SO much!

2017 SMQA Mystery Quilt

If you have not signed up for the 2017 SMQA Mystery Quilt, when you see the reveal at our Christmas party, you will regret your decision! Some of you have showed me your fabric choices, and they are all going to be wonderful. I am so excited about this pattern, I'm going to make two; one for each grand-twin daughter, in different colorways, of course. There are only 3 spots left, so let me know ASAP if you want to join in the fun!

Block of the Month

Each month a different block will be presented at the SMQA meeting along with instructions. You can participate each month or just occasionally. Bring your completed block(s) to the next meeting and you will get a raffle ticket for each block you turn in. When all are turned in there will be a drawing and the winner gets ALL the blocks. You could get 10 or 20 or maybe even 40! They are yours to do with as you choose. Just remember to bring back your completed project so we can see what you did with them.

Block for April: The block is 12-1/2" x 12-1/2". Various light to medium green; spring colors such as pink, purple or yellow. These will also be light to medium. The size is 2" x 6-1/2" for each piece. (See March newsletter)

9 Patch with Raw Edge Appliqué

Block for May: the appliqué pattern is on page 11. This is raw edge appliqué (a single straight stitch close to the edge of the petals and leaves so that after it's washed it ends up with the raw edge showing a tiny bit) on a 9 patch. Each piece of the 9 patch is 4-1/2" x 4-1/2" of creams, tans, beiges and whites. The appliqué should be green leaves and flowers in blues. Square size: 12-1/2" x 12-1/2".
